Hi Lisa,

Can you please assign the following tasks for PDS2012-3910-120005 (Soitec)?

063 (Review of EIR- Noise Section)

Emmet Aquino

Due: 14 days

Hours: 8 hours

056 (Review of EIR- Noise, Hazards and Public Services)

Rob Hingtgen

Due: 14 days

Hours: 12 hours

**Donna-** I know Rob is on vacation and the applicant was aware he would be out of the office as well. We have committed to reviewing sections of the EIR within 14 days. Maybe we can all meet when Rob returns to strategize getting these reviews completed. I expect other sections to be coming in shortly as well.

Thanks,

Ashley
